Dear Sir,

Reading of your dear
father being ill, I
know todays doctors do
NOT know too much
about cancer and other
diseases. I know of a
wonderful "Lady-Healer".

I have saw her heal a
little girl 6 with Cancer
in left kidney. She had
no operations like the Dr's
said she should. She
was touched for 2 years
by this elderly lady and
now can play & walk &
enjoy life. Another

Dear say or like one who

thousands of ill people
but one I know of

tell them of her. I
had my dramatic son
to her because he
couldn't sleep. After the
blood is purified in 9

of God's healing begins.
My son slept sound
after the treatments.
